# <u>Negative forces who distort/ contaminate the</u> <u>feeling/ experience of GOD/ The DIVINE</u> <u>WORLD</u>

The negative forces of this code are specialized in distorting/contaminating the experience/ feeling you have of GOD/ the DIVINE WORLD (inside you).

This may manifest itself in an experience that GOD/the DIVINE WORLD aims to, for example; punish, break, fail you etc. This can also manifest itself, among other things, in just a feeling perception of the above, as if you should be afraid of GOD/the DIVINE WORLD.

During periods when one experiences many setbacks, pains, chaos, disharmony, illnesses, attacks, etc., in any form, one is especially susceptible to these negative forces.

People who suffer from these negative forces can come into a state of 'cynicism'. (Cynicism: spiteful/disbelief in the good intentions of others/ reacting blunt/ feeling numb/ bitterness).

This experience can extract a lot of (positive) energy/happiness/optimism.

The negative worlds are in total chaos. The negative sees that they are losing. They do everything in their power, right up to the very last moment, to stop people from reaching a next level in themselves.

The experiences mentioned above are coming from-and are twisted by the negative.

GOD is The GOD of LOVE. GOD's ways are unfathomable.

### May KNOWLEDGE reign.

For those who want to do an action for themselves/Earth/humanity and consciously turn against the, by the negative distorted/contaminated view on GOD/ The DIVINE WORLD inside you/ humanity, the following:
